**Subject:** Discuss and give staff direction on the Weir Property and its future use

---

**Action Requested:** Discussion and direction regarding future use of the Weir property as an artist in residency program.

**Background Information:** The residence on the Weir property has sat empty since the purchase of that property April 2007. Concerns about the security of the property have lead to discussions regarding possible use of the home and stables for visiting artists or an artist in residency program. It is expected that occupancy of the property would reduce the chance of trespass and damage.

Possible options and recommendations were submitted and briefly discussed at the last CDC meeting. Those options and recommendations are in the overview attached to this memo.

**Supporting Documents:** Artists residency overview.

**Staff Recommendation:** Included in overview.
